## **Casuarina Hockey Club**

### **Personnel Responsibilities**

At Casuarina Hockey we value the players, coaches and all personnel including our parents, managers, administrators, canteen, uniform, grounds people and all those people who each year volunteer their time and effort to make Casuarina a great hockey club.

We have developed a list of responsibilities which we hope will assist you in your roles.

At Casuarina Hockey, we have always encouraged players to take full responsibility for all that happens at hockey. We ask that coaches, parents and officials lead by example and encourage and reinforce this wherever possible.

#### **Player Responsibilities:**

##### **Equipment:**

1. Ensure that you bring to the game and collect on departure your hockey stick, shin pads, mouthguard, water bottle.
2. Assist with the collection of your team's balls, markers, bibs and goal-keeping gear.

##### **Commitment:**

1. Participate for your own enjoyment and benefit, not just to please parents and coaches.
2. Be punctual to training, give 100% (what you put in to training = is what you get out of it)
3. The Game:
  - be ready to warm-up at least 30 minutes before game
  - inform coach/manager via phone call or text when you are unavailable, and give plenty of notice so that a substitute can be found
  - be prepared to be substituted at any time
  - work equally hard for yourself and your team mates so that you and your team will benefit

##### **Player Conduct:**

1. Always play with sportsmanship whether you are winning or losing.
2. Appreciate good play whether it is made by your team or the opposition.
3. Show respect to officials and opponents.
4. Encourage and respect your team mates.
5. Play by the rules.
6. Do not argue with an official, if you disagree, have your captain, coach or manager speak with the official during a break or at the end of the game.
7. Treat all participants in your sport as you like to be treated

##### **Parental Responsibilities:**

1. Remember that children participate in sport for their enjoyment, not yours, so encourage them to do the best they can for themselves and their team.
2. Encourage the above player responsibilities.
3. If your child is unavailable to play, ensure that the child's coach or manager is notified via phone call or text.
4. Encourage children to play by the rules and with sportsmanship.
5. Focus on the child's efforts and performance rather than winning or losing.
6. Always allow the coach to do their job and support your child with only positive comments from the sideline.
7. Respect officials' decision and teach children to do likewise.
8. Help the Club. We are all busy parents, however if we all offer a little help in some capacity, we can take the load off a few eg. collecting balls and equipment, canteen duty, handing out notices, attending fundraising events, grounds etc.
9. Check the Club and Association websites and know when training, matches and other club meetings and events are being held.
10. Enjoy sharing the experience of playing and being involved in a great club with your child.

## **Casuarina Hockey Club Personnel Responsibilities**

### **Coaches Responsibilities:**

1. Greet and meet parents of children in your team and get contact names and phone numbers.
2. Be organised and on time to trainings and matches.
3. Remember that young people participate for pleasure and winning is only part of the fun.
4. Never ridicule or yell at a young player for making mistakes.
5. Operate within the rules and spirit of your sport and club and teach your players to do the same.
6. Ensure the time players spend with you is a positive experience.
7. All young people are deserving of equal attention and opportunities.
8. Display control, respect and professionalism to all involved with the sport and encourage your players to do the same.
9. Show concern and caution toward sick and injured players and seek medical assistance as required.
10. Any physical contact with a young person should be appropriate to the situation and necessary for the players' skill development.
11. Respect the rights, dignity and worth of every young person regardless of their gender, ability, cultural background or religion.

### **Managers Responsibilities:**

1. Encourage the above player responsibilities.
2. Greet and meet parents of children in your team and collect contact names and phone numbers.
3. Always allow the coach to do their job and support all children with only positive comments from the sideline.
4. Check the Club and Association websites to know when training, matches and other club meetings and events are being held and disseminate this information to players and coach.
5. Be organised and on time to trainings and matches.
6. Organise uniform orders and distribution at the beginning of the season.
7. Assist coach and children collect equipment and ensure goal keeping equipment is kept in good condition and is returned to the club at the end of the season along with any hockey balls, hats and bibs.
8. Know where first aid kits and first aid assistance can be found at each venue.

### **Score Book:**

1. For U11 to Senior teams - Prior to match commencing check that the card or Tweed Border Score Book has all players names and numbers that are playing that day listed.
2. Ensure that all players playing on the day are registered and graded to play in the correct team/s.
3. During the match record goal scorers for both teams.
4. At the completion of the match, check the scores with the opposing team, write the scores on the card or book, seek Captains and Umpires signatures.
5. Ensure that the game day card or sheet is handed into the Tweed Border Hockey Association Office prior to the following weeks game. A loss of points may result if the card is not handed in time.
6. Teams that fail to hand in a score card or sheet from the score books will lose points for that match and it is recorded as a loss.

## Brief summary of U7/U9 rules for New Families

### U7:

- Two 15 minute halves, 3 minute break at half time, goals about two metres apart on the sidelines.
- 5 on the field at once (If more than 2 players off, can play 6 aside if other team also agrees but NO MORE than 6 as it is too crowded and dangerous.
- If the opposing team is short of players, we can lend and borrow players as needed.
- 1/4 field set up across the field, with goals on sidelines two metres apart.
- Our Club plays - 3 up, 3 back or 3/2/1 if 6 players, and 3 up, 2 back if 5 players.
- Our Club encourages coaches to play players in the same positions for half a game and then swap the forwards to the backs and vice versa.
- Aim is to let the game flow freely at this age so do not blow the whistle too much.
- Encourage kids to spread out and keep their 'starting positions'. Safety from swinging sticks and hacking is the priority at this age.

### Rules U7:

- Push passes only when in field of play.
- If ball goes over own goal line by attack then defence takes ball opposite where it went out about 10 metres out from goal line and takes a free push/self play.
- If the ball goes out over the sideline it is taken where the ball crossed the line.
- In terms of rules, blow whistle when there is danger ie. Swinging or raised sticks, lifted balls and too many players on the ball at one time. If this happens give a free hit to a team (alternate which team will get this hit) and spread them all out. Also, blow free hits for players hacking sticks. Do not worry too much about players kicking the ball, unless it is deliberate.
- For a goal to be scored the ball must be played or touched by an attacking player within 5 metres of the goals. Any further out is deemed not to be goal (small circle goals should be marked on the field)

### U9:

- Two, 20 minute halves, 3 minute break at half time
- 7 or 8 on field at once (NO MORE than 8)
- 1/2 field set up, Goals on sideline, two metres apart.
- Play 3 forwards, 3 halves, 2 backs
- In terms of rules, blow whistle when there is danger ie. Swinging sticks, lifted balls and too many players on the ball at one time. If this happens give a free hit to a team (alternate which team will get this hit) and spread them all out. Safety is priority.

### Rules U9:

- U9 can hit or slap hit the ball in certain situations.
- If ball goes over own goal line by attack, then defence takes the ball opposite where it went out about 10 metres out from goal line and can take a free hit/push/self play.
- Free **hits** can also be taken when the ball goes over the sideline or backline.
- **Free hits can ONLY be standing hits.** They can also be push passes or self-play runs, but once the player is moving they cannot hit the ball then.
- The defending team players must be 5 metres back from a free hit, but can run in once the ball has been passed or played.
- If the ball goes out over the sideline it is taken where the ball crossed the line.
- In terms of rules, blow the whistle when there is danger ie. Swinging or raised sticks, lifted balls and too many players on the ball at one time. If this happens give a free hit to a team (alternate which team will get this hit) and spread them all out. Also blow free hits for players hacking sticks or using the back of their stick.
- Blow the whistle more when players kick the ball, but be flexible with this rule as players are learning. As a guide be strict in the attacking and defensive goal areas, and perhaps more flexible with this rule in the midfield area.
- For a goal to be scored the ball must be played or touched by an attacking player within 5 metres of the goals. Any further out is deemed not to be goal (small circle goals should be marked on the field)
